

DH distance bushings

for multi-layer mounting of strain relief plates

Due to DH spacers strain relief plates can be mounted in multi-layers to achieve an increase of the cable density.

RoHS
compliant

Made in
Germany

Specifications

Material	Aluminum
Mounting options	Screw type mounting

Advantages & Benefits

- Increase of cable density

Product types & Sizes

DH 30

Part No.	32251
EAN	4251269300929
Package quantity	10
Length L1	30 mm
Internal diameter	5,2 mm
External diameter	8,5 mm

Part No.	32252
EAN	4251269300
	936
Package quantity	10
Length L1	32 mm
Internal diameter	6,2 mm
External diameter	12 mm
